Commissioner Robert Wells, Q.C.
Offshore Helicopter Safety Inquiry
Suite 213, Tara Place
31 Peet Street
PO Box 8037
St. John's, NL
A1B 3M7

Dear Commissioner Wells:

Re: Transport Canada – Closing Submissions

Transport Canada is grateful for the opportunity to participate in the Inquiry. Please accept this letter as our closing submission.

Transport Canada currently interacts with the C-NLOPB on a regular and informal basis. We are open to having this interaction formalized should you recommend it. The purpose of such interaction would be to communicate to the C-NLOPB any changes to aviation regulations that may impact offshore helicopter transportation in Newfoundland and Labrador. We feel this will serve to increase public confidence in the level of aviation safety, which is one of our goals.

Please feel free to contact us if the Inquiry has further questions.

Yours truly,
